**THIS DIRECTIVE SHALL SERVE AS THE COMMISSION'S ORDER ON THIS ISSUE.**

**SUBJECT:**

DOCKET NO. 2019-187-E - Charles Lewis, Complainant/Petitioner v. Duke Energy Carolinas, LLC, Defendant/Respondent - Staff Presents for Commission Consideration Duke Energy Carolinas, LLC's Motion to Dismiss Complaint.

**COMMISSION ACTION:**

Because Mr. Lewis alleges no violation of any applicable statute or regulation in his Complaint, I move that we grant Duke Energy Carolinas' motion to dismiss. The Commission has approved a modification to the MRM Rider to allow Mr. Lewis to have the Company install a manually-read meter at his home without incurring additional set-up fees and monthly charges if he provides a notarized statement from a physician licensed in the state of South Carolina certifying that he must avoid exposure to radio frequency emissions to the extent possible in order to protect his health. Mr. Lewis is advised, however, that the MRM Rider, by its own terms, is not available to customers taking service under a net metering rider, so opting for a manually-read meter would preclude him from using the solar panels he has purchased. As Mr. Lewis has alleged no violation of any applicable statute or regulation in his Complaint, move that we grant Duke Energy Carolinas' motion to dismiss.
